“a plan of faith”
fool proof series, part 2

welcome from
 pastors jim & tina von wald

new life church is a place you can call home. you will find us family friendly, down to earth and real in the way we serve and worship God. we are a church made up of people from a variety of different backgrounds. our desire is that each person who enters our doors will discover a personal relationship with Jesus Christ and lasting relationships with others.

our goal is to be a place of healing, restoration, strengthening and encouragement for the entire family. we believe this begins through teaching and worship that is relevant for today without compromising the truth of God's word. it continues when each person discovers their place of ministry in the church body.

gifts of the Spirit during the service

the Bible teaches that the Holy Spirit is willing to give gifts to edify, exhort and comfort the church until Jesus returns (1 cor. 12). if you sense the Holy Spirit is speaking to you for the congregation, we desire those words to be heard in an orderly way (1 Cor. 14). if you receive a vocal prompting (tongues, prophecy, wisdom, knowledge, interpretation), we invite you to write it down or share with a pastor what the prompting is and one of the pastors will discern if and when the word needs to be spoken.

tithing challenge

the word "tithe" means "a tenth." we return to God 10% of the income he's blessed us with. in **malachi 3:10**, God says, "bring the whole tithe into the storehouse ... test me in this says the Lord Almighty." the "storehouse" is the old testament depiction of the local church (new life) where we worship the Lord by bringing the tithe. giving back 10% of our income can be frightening, especially if we have never done it before! that's why new life is offering a money-back guarantee of sorts. It is based on the promises in **malachi 3:6-12**. we believe God's word is true and he will stand by it. as a result we encourage and challenge everyone to be obedient in tithing. we commit to you that if you fill out the tithing challenge form and then tithe four consecutive months and God doesn't hold true to his promises of blessing and faithfulness, we will refund 100% of your tithe, no questions asked.

if you want to test God with tithing, check with the church office for a tithing challenge form.
