

1. Daily Morning Prayer: " God, I'll do what You tell me to do, I'll give what you tell me to give, and I'll go where you tell me to go. Even before you ask, my answer is, 'Yes, Lord!' I am listening, I will obey.
2. Read the passage. What is God saying to you through this passage of scripture?
3. Is God telling you to obey Him in a specific way today? If so, how?
4. From yesterday (or this past week), what did you hear God say to you?
5. Have you experienced any resistance or misunderstanding of God's direction during the past twenty-four hours? If so, describe it.
6. Daily Evening Prayer: In your own words ask God for a listening ear to hear Him and the humility and courage to follow Him.
7. Set aside \$1 per day for the next 90 days (\$90 total). Each morning ask God who you should give some to that day. (increments of \$10-\$20)
8. As God speaks to you and you obey, share your stories on the New Life Immediate Obedience Face book page. Remember it is public. Go and Like:
